

Welcome to **BR Groupe**

At BR Groupe, we specialize in a comprehensive range of industrial services, from the sale of materials to the installation and repair of industrial equipment. We cover various sectors, including the oil sector, civil construction, architecture, agriculture, pharmaceuticals, healthcare, and large-scale retail.

Oil Platforms

We provide specialized materials for oil platforms and have spare parts to keep your installations in perfect working condition. Our skilled engineers can assist you on-site with the installation, maintenance, and repair of your equipment.

Production Machines

We offer production machines for various industries, including food and beverage manufacturing. Our solutions include machine supply installation and maintenance, ensuring high efficiency and productivity for your factories.

Civil Construction

We offer a wide range of high-quality construction materials, from concrete to metal structures. Our teams of engineers and technicians ensure the installation and maintenance of equipment, guaranteeing the safety and efficiency of your construction projects.

Architecture

Our services include innovative architectural solutions. We sell premium architectural materials, including high-quality marbles, and offer installation services for your architectural projects. Our architects have been selected for their ability to understand your needs and adapt projects to your budget.

Agriculture

We provide machinery and spare parts for the agricultural sector, ensuring that your operations run smoothly. Our qualified technicians are available for the installation and maintenance of agricultural equipment, helping to develop your projects and face future challenges with ease.

Pharmaceutical and Healthcare Sector

We provide essential equipment and materials for the pharmaceutical and healthcare sectors. We guarantee high-quality products to improve efficiency, safety, and durability in these sectors' operations.

Large-Scale Retail

We offer a wide range of equipment for large commercial surfaces, such as supermarkets, hypermarkets, and shopping centers. Our products aim to improve operational efficiency, safety, and customer experience.

Our Products

Marble Materials: We offer a wide range of high-quality marbles, perfect for various construction and architectural projects. Our marbles are available in different colors and finishes, suitable for all your aesthetic and functional needs.

Construction Materials: We also sell a wide variety of construction materials, including concrete, steel, and other essential products for civil construction.

Industrial Equipment: Our catalog includes sophisticated state-of-the-art machines, as well as spare parts to improve and maintain your industrial installations. We offer robust and efficient products that increase productivity, safety, and durability in various sectors such as agro-food, textiles, pharmaceuticals, healthcare, chemical processing and distribution, steel, automotive, and water.

Large-Scale Retail Equipment: We provide a wide range of equipment for large commercial surfaces, aiming to optimize operations, safety, and customer experience.

Why choose BR Groupe ?

Technical Assistance : Our assistants and qualified engineers are ready to come to your premises for the installation and maintenance of the materials.

Repairs and Maintenance : We can replace or repair defective parts of your industrial, agricultural and civil construction installations.

Latest Generation Equipment : We have sophisticated machines and spare parts to improve facilities and optimize your operations.
